[Undergraduate Research and Scholarly Activities](#)
[Division of General Studies](#)

The Division of General Studies is pleased to announce the following information regarding the Undergraduate Research and Scholarly Activities program. This program provides students with the opportunity to engage in research and scholarly activities that enhance their academic and professional development.

Students are encouraged to explore various research opportunities, including independent research, research assistantships, and participation in conferences and workshops. The program also offers funding and support for students pursuing these activities.

For more information, please contact the Undergraduate Research and Scholarly Activities office at [phone number] or visit our website at [website URL].

The Division of General Studies is committed to providing a high-quality educational experience for all students. We encourage you to take advantage of the opportunities available through our research and scholarly activities program.

We look forward to supporting your academic and professional growth through our research and scholarly activities program.

Thank you for your interest in our program.

Sincerely,
