Course textbook title, author, edition/publisher.

FIRE 220
Principals of Fire and Emergency Services Safety and Health
Course Syllabus
3.0 Credits

Description:

This course introduces the basic principles and history related to the national firefighter life safety initiatives, focusing on the need for cultural, and behavior change throughout the emergency services. This interactive course will examine current issues in emergency services including close calls, near misses and line of duty deaths.

Permission

Course Outcomes:

Letter Grades for the course will be determined as follows and will reflect the grading system and grade point average computation policy stated in the current UAF course catalog:

- A.....100-90%
- B.....89-80%
- C.....79-70%
- D.....69-60%
- F.....Below 60%

Policies:

Late work will be accepted up to five (5) days after the due date with a penalty of one full letter grade.

Research Report

Students will write a five page report on the assigned subject using MLA format. No work may be

submitted for two courses without explicit approval of both instructors. (See UAF Honor Code) A list of sources cited must be included for all reference material used.

UAF Honor Code:

The public holds emergency services personnel accountable to the highest standards of ethics. The credibility of our degree program requires that we meet those expectations in every way possible. As a UAF student, you are subject to the Honor Code. The University assumes that the integrity of each student and the student body as a whole will be upheld. Honesty is primary responsibility of each

Disabilities Services:

insures the UAF students have equal access to the campus and course materials. Your instructor will work with the Office of Disabilities Services (203 WHIT, 474-7043) to provide reasonable accommodation to students with disabilities
