Individual Study Approval Form Checklist

Individual study (course numbers ending in 97) provides students with opportunities to improve knowledge in courses of study which are not normally available. A student who requests to, or is advised to undertake such individual study should present a brief proposal to the appropriate faculty member.

Proposals eligible for an individual study may include

• The course is not being offered for the semester (completion needed for graduation or course "was cancelled for the semester)

- Student has taken the lecture or lab portion and needs to complete the remaining part.
- Grade mode was different from the existing course offered in the semester. PLEASE NOTE:
- Student and faculty member must complete the information requested on this form
- All signatures and dates are required
- Incomplete forms will cause a delay in your registration
- ALL information must be printed dearly

• Individual studies are semester based. End date must be prior to or on last day of instruction.
