**New wording: (unanimously approved!)**

Students whose cumulative and (or) semester GPA falls below 2.0 after any semester including the summer session will be put on academic probation.

Note that, the disqualification entry would remain as it is now, and would refer to fall/spring and spring/fall semesters.

**4. Report on Wintermester conflict resolution (maybe)**

a. 2013-2014: ONLY 9 days available 3 Jan – Weds 15 Jan (first day of classes = 16 Jan). Three possible solutions: make 9 days (legal, but short); make 10 days by adding a Saturday; make 9 days w/ a 'day off' Weds 15 Jan & having a Saturday class. No one was crazy about any of the possibilities, but all were WILLING to go along with any of the three. Wintermester faculty will be polled.
